MEMORANDUM FOR THE RECORD

SUBJECT: Conference Committee Action on H.R. 16373

Mr. Dick Dennis of the FBI legal staff called this morning to alert us that Conference Committee action on H.R. 16373 has been taken which connects the CIA exemption under H.R. 16373 to the new amendments to the Freedom of Information Act. He reports the action of the Conference Committee is to the effect that the Freedom of Information Amendments override the CIA exemption. He said also that on 6 December 1974 Frank Reeder (phonetic) of OMB distributed something on the Conference Committee work.
